ICC Work Group notes from January 20, 2011 – Angie Gifford, MDT

Attendance:

Vicki Turner – PRC

Natalie Adorni - Montana Fellowship Program in the PRC

Cheri Seed, OPI

Angie Gifford - MDT

Lisa Scates – DOR

Daniela Ragen – National Guard

Julie Fischer – Board of Crime Control

Siri Smillie - DOJ

Patty Stevens – Community member on conference call

Announcements:

OPI – Cheri Seed gave the ICC workgroup an update of the new Montana Substance Abuse & Violence Prevention Task Force – goal to enhance support of efforts by local education agencies to prevent substance abuse and violence in Montana's schools. Beki Brandborg, task force facilitator, is contacting task force members and gathering data resources to assess the State's existing youth substance use/violence prevention infrastructure to identify weaknesses, gaps, and duplications as well as best practices. Based on the findings, the task force will identify new resources and areas of collaboration, then prepare a sustainable comprehensive plan for building and maintaining the State's support of education agencies to create a safe and healthy learning environment.

The next task force meeting will be in February.

Cheri passed around handouts on alcohol whipped cream and Net Cetera resources – attached.

BCC – Julie Fischer reported at the RFP comes out in March for EUDL grants. Title 2 and 5, and JAB grants will be released Feb 1. Julie is working on a statewide assessment of gangs and gang activity in Montana.

DOJ – Siri Smillie has been appointed to the National Guard Western Regional Counterdrug Training Center Advisory Council. The website for the training center:

Center for Substance Abuse Prevention (CSAP) State Video opportunity for Montana

Vicki Turner updated to the group on the work done by Natalie Adorni, Julie Fischer, and Vicki on the state video. They have been working with Chris Phillips, video producer, on the script, locations, music, and participants. See attached draft of video outline. The video will be filmed in Helena and Missoula and will be supplemented with stock photos. Filming will occur February 28, March 1st and 2nd. Please mark your calendars.

Discussion of video distribution will take place in the next couple of meetings.

Assignments:

Patty will follow-up with Gyda Swaney, Professor of UM, to determine if she would be the brain expert.

Julie will contact Tim McGonigal and ask if he would perform the voice over parts of the script. Tim is the News Director KXLH.

Daniela will follow-up with Garth regarding student participation in video.

Natalie and Julie will put together the script language – bullet points that are compelling - and will ask ICC work group members for help. The tone is to be conversational.

Patty told the group about Bud Collicott. He watched a 7 minute video about the Nkwusm School and then created a hip hop song and pulled pictures from the video. He did it all in 30 minutes. Bud may have two roles in the video: create a song and tell his personal story about the death of his brother due to alcohol.

Vicki and Patty will work with Bud.

Workgroup members: 1) watch the Nksum School's video, 2) watch Bud's video. Both are on YouTube. Directions: Go to youtube.com and in the search, type nkwusm. All the YouTube videos will appear. The 7 minute promotional video was professionally done and is called Nkwusm School 2009.mov and just below it is a video called Salish Hip Hop.

Cheri Seed provided the attached PDF on downloading YouTube Videos.
